ORDER

This matter is before the court on the defendant Spencer Allen Scott's unopposed Motion to Continue Trial [47]. Counsel needs additional time to finish reviewing the extensive discovery, determine whether expert testimony is necessary and review matters with the client. For good cause shown,

IT IS ORDERED that the Motion to Continue Trial [47] is granted, as follows:

1. The jury trial, **for both defendants**, now set for September 14, 2020, is continued to **December 14, 2020**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendants in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date** and **December 14, 2020**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(6), (7)(A) & (B)(iv).

DATED: August 25, 2020.
